JUDGMENT

THE LIEUTENANT BAILIFF: In our view the factors which caused the Court to grant the delay on 20th July are still in place; added to which is a further factor.

5 We have concluded that all the proceedings should be adjourned until after the Extraordinary General Meeting. The date for filing an answer is therefore adjourned until further order and the summons to fix a date therefore will come before the Court again for consideration on the hearing of the summons for  
10 directions which is, subject to any further order of the Court, to be heard not later than four weeks after the holding of the Extraordinary General Meeting on 4th September.
