[1] This action called before me for a debate along with the cases of *Duncan v Glasa LLP* (CA 137/18) and *Kildermorie Partnership v Glasa LLP* (CA 138/18). The court was asked to answer a number of questions common to all three cases. The questions dealt with issues in the three cases as a whole, and are not ascribed to a particular case. My opinion of today's date in *Duncan v Glasa LLP* is the lead opinion and covers all three cases.
