- c) vehicles are prohibited from being on the central reservations or verges (regulation 5),
- d) vehicles are not to stop on the carriageways (regulation 6),
- e) reversing is prohibited (regulation 7),
- f) emergency laybys are not to be used by vehicles (regulation 8),
- g) animals carried in a vehicle are as far as practicable to be kept in the vehicle or, if they are not in the vehicle, are not to go or remain on the AWPR other than in an emergency layby or on a verge and are to be kept under proper control (regulation 9).

Regulation 10 provides that certain classes of traffic not ordinarily authorised to use the AWPR may do so in the circumstances specified in the Regulation.

Regulation 11 provides for certain general exceptions from the provisions of the Regulations and authorises the Scottish Ministers to relax any prohibition or restriction imposed by the Regulations.

Regulation 12 makes provision for a 70 mph speed limit or a 40 mph speed limit on the sections of the AWPR which are described in Parts 3 and 4 of the schedule, respectively.

No business and regulatory impact assessment has been prepared for these Regulations as no impact upon business, charities or voluntary bodies is foreseen.
