7. Comments (optional)

Disputed domain is a minute and almost unnoticeable mis-spelling of well-known registered trade mark. It can have no legitimate use in the hands of a third party, it is being offered for sale at a profit and resolves to a parking page offering services which compete with those offered under the trade mark. It is also part of a pattern of registration by the respondent of mis-spellings of well-known trade marks. It is therefore clearly abusive under at least paragraphs 5.1.1.1, 5.1.2, 5.1.3 and, on balance, 5.1.6 of the DRS Policy.

8. Decision

I grant the Complainant's application for a summary decision. In accordance with section 12 of the Policy, the domain name will therefore be transferred to the Complainant.
