NOTICE OF DECISION

1. The respondents' appeals against decisions to remove them from the United Kingdom to Ghana were allowed by a First-tier Tribunal Judge, on human rights grounds, in a decision promulgated on 10 July 2015. The Secretary of State was given permission to appeal against the decision of the First-tier Tribunal on 29th September 2015.

2. Mr Kotas, for the Secretary of State, said that the appellant wished to withdraw her case and that the respondents' representative was in agreement with that proposal. One of the children was now a British citizen and, in all the circumstances, withdrawal was the appropriate course.
3. Having heard from Mr Kotas and briefly from Mr Rungasamy, who confirmed that his clients were in agreement, the Upper Tribunal consents to the withdrawal of the appellant's case, under rule 17(2) of the Tribunal Procedure (Upper Tribunal) Rules 2008.
4. In the light of the withdrawal of the Secretary of State's case, the only formal step now required is the dismissal of the appeal against the decision of the First-tier Tribunal, which decision shall stand.
