

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr. D Peace

**Respondent:** Food Standards Agency

## JUDGMENT

The Claimant's application dated 8 January 2019 for reconsideration of the Judgment sent to the parties on 4 January 2019 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the Claimant's application simply seeks to reargue his case and refers to no new evidence not, or not reasonably available, at the original hearing.
