

EMPLOYMENT TRIBUNALS

Claimant: Mr S Voase

Respondent: Kerbedge Ltd

JUDGMENT

The claimant's complaints of unpaid notice pay and holiday pay are struck out.

REASONS

1. On 19th December 2018 the claimant was informed that the respondent had been dissolved in May 2018 and that if he wanted to proceed against a potential successor company (VOIP) he would need to confirm that within 14 days.

5. On all the information before me there has been no such confirmation and the claim must be struck out because it has been pursued against a dissolved company.
