JUDGMENT

The Respondent has made unauthorised deductions from the Claimant's wages and is ordered to compensate him in the net sum of £1,807.84

REASONS

- 1 The Respondent did not appear and, considering its status, I took the view it was in the interests of justice to proceed in its absence.
- 2 I heard the evidence of the Claimant, to the following effect:-
 - 2.1 He had given notice to terminate his job and was asked to, and did, take the holiday owing to him during his notice period.
 - 2.2 He started his new employment on 30 July 2018 and was due to be paid by the Respondent on 1 August 2018.
 - 2.3 He received a pay slip and P45 both showing his pay for the last period of his employment as £1,807.84, but has not received any payment from the Respondent.
- 3 I accepted that evidence and am satisfied by the Claimant that the Respondent has made unauthorised deductions from his pay in the sum of £1,807.84.
