

EMPLOYMENT TRIBUNALS

Claimant: Mr G Matthews

Respondents: (1) Terex Pegson Coalville,
(2) Terex GB Limited,
(3) Terex Pegson Ltd

JUDGMENT

1. The proceedings against the first and third respondents are dismissed.
2. The claim against the second respondent is unaffected by this judgment

Reasons

1. In the ET3 response filed on behalf of all three respondents, the second respondent accepted it was the claimant's employer and is the correct respondent to the claims. It sought the dismissal of the claim against the first and third respondents.
2. The first respondent is a trading name only of the second respondent. The third respondent is a separate legal entity within the wider group of companies but, it was asserted, is not active and had no connection with the claimant's employment.
3. On 26 November 2020 the tribunal gave the claimant an opportunity to comment on that application and has failed to respond. The respondents' contentions are accepted and the claims dismissed accordingly.
