

EMPLOYMENT TRIBUNALS

Claimant: Mrs Tracey Harrison-Racey

Respondent: East Riding of Yorkshire Council

Heard at: Leeds (in private by telephone) **On:** 02 July 2021

Before: Employment Judge R S Drake

Appearances

For the Claimant: In Person (assisted by her husband)

For the Respondent: Mr P Stardevic (of Counsel)

JUDGMENT

1. The Claimant's claims that:-
 - 1.1 she was unfairly dismissed; and -
 - 1.2 for direct associative disability discrimination and/or victimisation; and -
 - 1.3 for allegedly suffering a detriment because of claiming flexible working –- are ALL dismissed on withdrawal of the same by the Claimant with the Respondent's consent.

Reasons

2. Before the Preliminary Hearing listed for today's date the Claimant's husband wrote by email dated today's date and timed at approximately 8.15 to confirm withdrawal of her claims, so I sought to clarify this from her personally and, through the Respondent's representative, whether they consented.

3. The Respondent through its representative today readily consented to withdrawal without further recourse and expressly confirmed that no application for costs is being made.
4. Accordingly, all of the Claimant's claims are therefore dismissed at the Claimant's request and with the Respondent's consent.
