

EMPLOYMENT TRIBUNALS

Claimant: Mrs A Appleton

Respondents: 1. Chief Constable of Cheshire Constabulary
2. Secretary of State for Home Office Department

JUDGMENT

The complaint of race discrimination is struck out.

REASONS

1. By a letter dated 25 March 2021 the Tribunal gave the claimant an opportunity to provide particulars of the complaint of race discrimination or to withdraw it. A reminder was sent on 24 April, and a final warning on 12 May 2021.
2. The claimant has failed to respond. The complaint of race discrimination is therefore struck out because it has not been actively pursued.
3. This does not affect the claim of age discrimination.
