JUDGMENT

This has been a remote video hearing which was attended by the parties. A face to face hearing was not held because it was not practicable and all the issues could be determined in a remote hearing. After hearing the Claimant's evidence and submissions, the Tribunal concluded

1 For the reasons given in the oral judgment at the remote hearing, an extension of time was allowed to the 18 January 2021, allowing the claimant's claims for automatic unfair dismissal and unlawful deduction from wages to proceed.

2. The claim for unfair dismissal under s.98 Employment Rights Act 1996 is dismissed on the basis that the Tribunal has no jurisdiction to hear the claim, as the claimant does not meet the qualifying criteria.
