**Claimant:** Mr N K Keeling

**Respondent:** XLSS

## JUDGMENT

The complaint of unfair dismissal is struck out.

## REASONS

1. By a letter dated 31 December 2021, the Tribunal gave the Claimant an opportunity to make representations or to request a hearing in response to the suggestion that the complaint of unfair dismissal should be struck out because it had no reasonable prospect of success.
2. The Claimant failed to make any or any sufficient representations in writing, or has failed to request a hearing. The complaint of unfair dismissal is therefore struck out.
