

EMPLOYMENT TRIBUNALS

Claimant: Miss M Taskova

Respondent: GXO Logistics UK Ltd

JUDGMENT

1. The claimant's application dated 24 January 2022 to strike out the respondent's response is refused.
2. It appears that the respondent has attempted to deliver the bundle in accordance with the case management orders and to the claimant's preferred addresses on a number of occasions. It further appears that the claimant has now received a copy of the bundle as the respondent refers to the claimant's witness evidence.
3. It is not in the interests of justice to strike out the respondent's response. If the claimant continues to assert that there are documents missing or that the respondent has acted unreasonably in the way it has conducted the case, she may raise these issues at the final hearing in questions to the respondent's witnesses and/or submissions as necessary.
