## Scope of the case

---

7. The complainant contacted the Commissioner on 19 December 2020 to complain about Sussex Police's failure to respond to their request.
8. The Commissioner has considered whether Sussex Police has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

## Reasons for decision

---

9. Section 1(1) of the FOIA states that:

*"Any person making a request for information to a public authority is entitled –*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

*(b) if that is the case, to have that information communicated to him."*

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.
11. On 19 January 2021 the Commissioner wrote to Sussex Police, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention Sussex Police has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that Sussex Police did not deal with the request for information in accordance with the FOIA. The Commissioner finds that Sussex Police has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.

## Other matters

---

14. The Commissioner wishes to place on record her understanding of the immense pressures placed on public authorities during the coronavirus

pandemic. She is sympathetic to the difficult decisions such authorities must make, between prioritising front-line services and continuing to meet their obligations under the FOIA.
