ORAL JUDGMENT OF THE LORDS OF THE JUDICIAL
COMMITTEE OF THE PRIVY COUNCIL,
Delivered the 16th January 1996

Present at the hearing:-

Lord Lloyd of Berwick
Lord Steyn

[Delivered by Lord Keith of Kinkel]

Their Lordships have listened with great care to all that Dr. Rahme has had to say, but they have not been able to find any ground upon which they could properly interfere with the determination of the Professional Conduct Committee of the General Medical Council. They will therefore humbly advise Her Majesty that the appeal should be dismissed. The appellant must pay the respondent's costs.
