(This note is not part of the Order)

Section 9 of the Public Service Pensions Act 2013 (c.25) applies to public service pension schemes established under that Act which require a revaluation of pensionable earnings, or a portion of such earnings accrued as a pension, by reference to a change in prices, earnings or both.

Article 2 of this Order specifies an increase in earnings of 2 per cent in relation to the period of 1st April 2015 to 31st March 2016 inclusive. This figure is based on a measure of the year on year change in average weekly earnings to September 2015.
