(1) Except as provided in Article 4 of this Agreement a carrier of either Party shall require a permit in order to engage in any of the operations set out in Article 1 of this Agreement. Such permits shall be issued within the limits of annual quotas fixed jointly by the competent authorities in accordance with the provisions of Article 10 of this Agreement.

(2) Permits shall be issued to carriers of each Party by the competent authority of that Party.

(3) A permit shall be used only by the carrier to whom it is issued and shall not be transferable.

(4) Permits may be of two types:

(a) journey permits valid for one journey (outward and return including transit) unless otherwise stated on the permit;

(b) period permits valid for any number of journeys.

(5) The form or forms of permits and any other matters of administrative procedure concerning the implementation of the permit system shall be agreed between the competent authorities of the Parties in accordance with the provisions of Article 10 of this Agreement.

(2) The exemptions referred to in paragraph (1) of this Article shall be granted in the territory of each Party so long as the conditions laid down in the Customs regulations in force in that territory for the temporary admission of such vehicles into that territory without payment of import duties and import taxes are fulfilled.

(3) The exemptions referred to in paragraph (1) of this Article shall not apply to taxes and charges included in the price of fuel or to tolls for the use of particular bridges, tunnels or ferries.

## ARTICLE 7

### **Infringements**

(1) In the event of any infringement of the provisions of this Agreement by a vehicle or driver of a carrier of one Party when in the territory of the other Party, the competent authority of the Party in whose territory the infringement occurred may (without prejudice to any lawful sanction which the courts or enforcement authorities of that Party may apply) request the competent authority of the other Party to:

- (a) issue a warning to that carrier;
- (b) issue such a warning together with a notification that any subsequent infringement will lead to the temporary or permanent exclusion of vehicles owned or operated by that carrier from the territory of the Party in which the infringement occurred; or
- (c) issue a notification of such exclusion.

(2) The competent authority receiving any such request shall comply therewith and shall as soon as possible inform the competent authority of the other Party of the action taken.

## ARTICLE 10

### **Administrative Arrangements**

(1) The competent authorities of the Parties shall jointly concert all administrative measures for giving effect to the provisions of this Agreement. These measures, which shall be recorded in an Administrative Memorandum, may be modified by agreement between the competent authorities, in particular so as to conform to the current needs of goods transport by road.

(2) At the request of either competent authority representatives of both shall meet as a Joint Committee to review the operation of this Agreement and agree any modifications of the Administrative Memorandum referred to in paragraph (1) of this Article.
