the Health Protection (Coronavirus International Travel) (Wales) (Amendment) (No. 16) Regulations 2020 (S.I. 2020/1165 (W. 263)).

The International Travel Regulations impose requirements on persons entering Wales after having been abroad. They include a requirement for persons arriving in Wales to isolate for a period determined in accordance with the Regulations.

The requirements imposed by the International Travel Regulations are subject to exceptions, and certain categories of person are exempt from having to comply.

Persons entering Wales after being in one or more of the countries and territories listed in Schedule 3 to the International Travel Regulations are not required to isolate. The countries and territories listed in Schedule 3 are referred to as “exempt countries and territories”.

Part 2 of these Regulations – in regulations 2 and 3 – amends the list of exempt countries and territories to remove the entries for Cyprus and Lithuania; and makes transitional provision in connection with these countries’ change of status.

Part 3 of these Regulations – in regulation 4 – amends the list of sporting events in Schedule 4 to the International Travel Regulations.

A person who is subject to a requirement to isolate imposed by the International Travel Regulations is permitted to leave the place at which the person is isolating for a limited number of reasons. These exceptions to the requirement to isolate are set out in regulation 10 of the International Travel Regulations, and they include an exception permitting a person’s participation in a listed sporting event.

Part 4 of these Regulations – in regulations 5 and 6 – makes various miscellaneous amendments to Schedules 1 and 2 to the International Travel Regulations. Schedule 1 to those Regulations lists certain information (“passenger information”) that persons arriving in Wales from abroad must provide to the Secretary of State via an electronic passenger locator form. Schedule 2 to those Regulations exempts certain categories of worker from having to provide passenger information and from having to isolate.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has not been prepared as to the likely cost and benefit of complying with these Regulations.
