## Before you start

### The householder is responsible for ensuring that this questionnaire is completed and returned.

The **householder** is the person who lives, or is present, at this address who:

- owns/rents (or jointly owns/rents) the accommodation; and/or
- is responsible (or jointly responsible) for paying the household bills and expenses

A **household** is:

- one person living alone; or
- a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area

### What should I complete on this questionnaire?

- Household questions on pages 3–6** about this household and its accommodation.
- Individual questions on pages 7–31** for every person who usually lives in this household. Every person who has been, or intends to be, in the UK for 3 months or more should be included in these questions at their usual UK address.
- Visitor questions on the back page (page 32)** for all other people staying overnight in this household on 21 March 2021.  
It is important to include visitors staying overnight in this household to make sure no one is missed. Visitors who usually live elsewhere in the UK must also be included on a census questionnaire at their usual address.

**You will find further information about who to include in this questionnaire in the accompanying leaflet.**

### Will I need extra questionnaires?

- If there are more than 5 people in this household, or more than 3 visitors staying overnight, you can choose either to complete the entire questionnaire online, or fill in this questionnaire and contact us to request one or more Continuation Questionnaires.
- If any member of this household does not want to disclose their information to others in the household, you can request an Individual Questionnaire. Remember to include these people in household questions (H1 to H14) on this questionnaire, but leave blank their individual questions (1 to 51).
- If there is more than one household at this address, contact us to request one or more additional Household Questionnaires.

You can request extra questionnaires online at [www.census.gov.uk](http://www.census.gov.uk) or by calling 0800 169 2021.

### How should I complete my questionnaire correctly?

You should:

- use black or blue ink to answer
- tick your answers within the box, like this:
- print in capital letters within the boxes, one letter per box, like this: 

D	A	F	Y	D		
---	---	---	---	---	--	--
- correct any mistakes by filling in the box, like this: 

J	O	■	N	E	S		
---	---	---	---	---	---	--	--

 or this: 

J	O	N	E	S		
---	---	---	---	---	--	--
- continue onto the next line (if possible) when a word will not fit, like this: 

P	A	D	D	I	N	G	T	O
N		S	T	R	E	E	T	
- follow the → **GO TO** instructions and leave any questions or pages you do not need to answer completely blank; any marks or lines can be mistaken for answers

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations set out the detailed arrangements necessary for the conduct in Wales of the census directed to be taken on 21 March 2021 by the Census (England and Wales) Order 2020 (S.I. 2020/532) (“the Census Order”). They also revoke the Census (Wales) Regulations 2010 (S.I. 2010/1361 (W. 116)).

Regulation 3 provides definitions for the interpretation of these Regulations along with abbreviations for the interpretation of the questionnaires used in the census. Regulation 3 also provides that a prescribed person is not in breach of these Regulations by returning a partially completed version of both the English language and Welsh language versions of a questionnaire, providing that the information provided in the questionnaires amounts to a complete return.

Regulation 4 provides for the division of Wales into census areas, census co-ordinating areas, communal establishment co-ordination areas and enumeration districts. It also provides for the appointment of persons to carry out the duties assigned to them under these Regulations.

Regulation 5 introduces the requirements for the questionnaires to be used during the census. The online questionnaires must have the questions and response options and the functions and features set out in Parts 1, 2, 3 and 8 of Schedule 2. The paper questionnaires must be in the form shown in Parts 4, 5, 6 and 7 of Schedule 2.

Regulation 6 provides that a person required by the Census Order to make a return at the census will discharge their responsibility when the relevant paper or online questionnaire specified in Schedule 1 has been received by the Statistics Board (“the Authority”). Regulation 6 also provides that a householder or joint householder, or a person for the time being in charge of a communal establishment, may submit a paper form in relation to the household or the communal establishment and online forms in relation to individual persons in that household or communal establishment, or the other way round.

Regulation 7 requires the Authority to provide sufficient electronic systems (a questionnaire tracking system and a fieldwork management tool) and sufficient electronic devices (census electronic devices) to support the conduct of the census.

Regulation 8 sets out the requirements for the content of the different types of census packs.

Regulations 9 to 15 provide detailed arrangements for the provision, delivery, completion and return of the bilingual questionnaires. Each questionnaire will be available in Welsh and English language versions. Each category of online questionnaires will be accessed via a unique access code by way of example, one unique access code affords access to the Welsh and English language versions of the Household Questionnaires.

Regulation 16 provides for follow up action to be taken in the event that a questionnaire sent or delivered in accordance with these Regulations is not returned or is returned incomplete.

Regulation 17 makes provision for information to be given by a prescribed person to a person making a return on their behalf, or to a person appointed to carry out duties under these Regulations. It also makes provision to prevent the unauthorised use, publication and communication of information obtained for the purpose of the census.

Regulations 18 and 19 contain provisions relating to the safe custody of questionnaires and census electronic devices as well as to the storage and safeguarding of personal information relating to the census.

Regulation 20 provides for the giving of either a statutory declaration or an undertaking concerning the confidentiality of information obtained as a result of the census by persons who will have access to that information.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with these Regulations.
