#### DECISION OF THE MIDLAND LEASEHOLD VALUATION TRIBUNAL

#### **APPLICATION**

This is a reference to determine the price to be paid by the Tenants Mr. and Mrs.G.Mason for the freehold interest in the property known as No.102 Claremont Road Tamworth Staffordshire B79 8ES in accordance with the provisions of the Leasehold Reform Act 1967 as amended. The Tenants hold the property under a Lease dated  $16^{th}$  September 1964 for the unexpired residue of a term of 99 years from  $24^{th}$  June 1963 at a yearly ground rent of £20. The Tenants' Notice of Claim to acquire the freehold interest was dated  $12^{th}$  November 2001 when some 60.1/2 years of the term remained unexpired. The Parties accept that the qualifying conditions for enfranchisement under the Act have been met.

#### **INSPECTION**

Prior to the Hearing the Tribunal called to see the property which they found on inspection to be a semi detached house constructed of brick and tile fronting to and on the corner of a road of largely similar properties on the northern outskirts of Tamworth within reasonable distance of the town's amenities. The accommodation comprises on the ground floor an extended and open plan living and dining room and kitchen and on the upper floor are three bedrooms (none of them very large) with a combined bathroom and WC. There is a garden at front and rear with an attached garage at the side. The site of the subject property has a road frontage of approximately 9.14. metres and an area of some 234.11 square metres

#### THE HEARING

This was attended by Mr. J.Moore of Messrs. Midland Valuations on behalf of the Tenant. The Landlords St. Ermins Property Co Limited were not represented. Mr. Moore in presenting his case (a copy of which he tabled) set out his valuation as follows TERM

Ground Rent	£20.00	
YP 60.50 years @ 7%	14.047	280.94
REVERSION		
Entirety Value	£95,000	
Site value @ 33%	£31,350	
Sect. 15 Rent @ 7%	£ 2,194.50	
YP deferred for 60.50yrs @ 7%	0.239	524.49
		£ 805.43

In support of his Entirety Value he referred to two comparable 3 bedroom semi detached houses which had recently been sold in the locality: No. 67 Telford Road – an extended semi

detached house sold for £83,000 and 22 Hayworths Close – an extended semi detached house in a cul-de-sac sold for £94,000. He believed his valuation of the subject property was therefore generous

He also quoted previous decisions of the Tribunal as authority for adopting site values at 33% and a 7% yield rate

## REASONING

The Landlords not having submitted any written representations to the contrary we see no reason not to accept Mr.Moore's valuation

## <u>COSTS</u>

The Tenants had in addition requested the Tribunal to determine the Landlord's reasonable costs to be paid in accordance with Section 9(4) Leasehold Reform Act 1967 and Schedule 22 Rule1(5) Housing Act 1980. Mr.Moore suggested a reasonable fee for the conveyancing work involved would be £200 (plus VAT if applicable). The freehold title was registered and there is previous Tribunal authority for the adoption of this figure. Moreover, a number of similar cases involving the same estate and title are being dealt with concurrently. No valuation appeared to have been undertaken prior to the application to the Tribunal.

### REASONING

The Tribunal has not usually taken into account the number of similar cases involved in determining legal costs but does maintain the view that in cases of this type the conveyancing is normally of a very straight forward nature which many Solicitors are prepared to underake on a competitive basis. At the present time, a reasonable charge is believed to be £225 (excluding VAT) plus disbursements, Clearly there is no evidence that any valuation has been undertaken in consequence of the Tenants' Notice

### DECISION

Accordingly, we determine the price to be paid by the Tenants for the freehold interest in the subject property at £806 plus Landlord's legal costs of £225 (plus VAT if applicable) and disbursements
