Decisions of the Tribunal

- (1) The terms of the settlement of the substantive matters are attached to this determination.
- (2) The Tribunal does not make an order under section 20C of the Landlord and Tenant Act 1985
- (3) The Tribunal limits the reasonable costs in connection with the LVT application and these proceedings to £1000.
- (4) The Tribunal makes the determinations as set out under the various headings in this Decision
- (5) Since the Tribunal has no jurisdiction over county court costs and fees, this matter should now be referred back to the Wandsworth County Court.

The application

1. Proceedings were originally issued in the Central London County Court under claim no. 1UD70638. The claim was transferred to the Wandsworth County Court and then in turn transferred to this Tribunal, by order of District Judge Swan on 14th May 2012.
2. On the morning of the hearing the Applicant and the Respondent agreed the amount of service charges and administration charges payable by the Respondent on terms that are recorded in an attachment to this determination.
3. At the hearing, the Respondent applied for an order under section 20C of the 1985 Act.

The hearing

4. The Applicant was represented by Miss Crampin of Counsel at the hearing and the Respondent appeared in person.

The background

5. The property which is the subject of this application is a first floor flat in a five storey building with a basement which is additionally divided into flats.
6. Neither party requested an inspection and the Tribunal did not consider that one was necessary, nor would it have been proportionate to the issues in dispute.

7. The Respondent holds a long lease of the property which requires the landlord to provide services and the tenant to contribute towards their costs by way of a variable service charge. The specific provisions of the lease and will be referred to below, where appropriate.

Application under s.20C

8. At the hearing, the Respondent applied for an order under section 20C of the 1985 Act. The Respondent argued that there was no need for litigation between the parties and that once the information she requested had been provided she agreed to pay the outstanding charges and a proportion of the administration costs.
9. Miss Crampin argued that the *prima facie* position was that the Applicant was entitled to its costs as a property right and that it would not be just and equitable to make the order requested because the Applicant had responded fully to questions raised by the Respondent, certainly by the date of the transfer from the County Court, and that the statutory consultation notices provided extensive explanation of the phasing of the works and the position of the reserve fund.
10. The Tribunal determines not to make an order under section 20C of the 1985 Act. The reasons for that decision is that it accepts that the necessary information was available to the Respondent from the middle of May 2012 and the Respondent was unable to identify what information in the Applicant's response served on 23rd August 2012 was unknown to her prior to that date.
11. The Tribunal further determines that the Applicant's costs in relation to the transfer of these proceedings to the LVT be limited to £1000.
12. The reason that the Tribunal limits the costs is that whilst it appreciates that work has gone in to attendance at the PTR and the hearing and in preparing the hearing bundles the case was not of sufficient complexity to justify employing counsel.

The next steps

13. The Tribunal has no jurisdiction over county court costs. This matter should now be returned to the Wandsworth County Court.

- (2) Subsection (1) shall not apply if, within the period of 18 months beginning with the date when the relevant costs in question were incurred, the tenant was notified in writing that those costs had been incurred and that he would subsequently be required under the terms of his lease to contribute to them by the payment of a service charge.
