DECISION

Decisions of the tribunal

- (1) The tribunal grants the application under s 20ZA of the Landlord and Tenant Act 1985 for dispensation from the consultation requirements of s20.

The application

1. The Applicant seeks a determination pursuant to s.20ZA of the Landlord and Tenant Act 1985 (“the 1985 Act”) in respect of works required to the car park lift to the basement.
2. The relevant legal provisions are set out in the Appendix to this decision.
3. The Application was dealt with on paper without a hearing.

The background

4. The property which is the subject of this application is a block of 18 flats with 2 commercial units. The basement car park is accessed via a vehicle lift which has been damaged.
5. Neither party requested an inspection and the tribunal did not consider that one was necessary, nor would it have been proportionate to the issue.
6. Dispensation is required as the lift has been out of action for up to 6 months and has been the subject of previous abortive attempts to repair by a previous contractor. The nature of the works is such that prices cannot be confirmed until the damage has been fully investigated, making consultation impractical and which would cause substantial delay.

The tribunal’s decision

7. The tribunal accepts that dispensation is appropriate due to the nature of the investigation and works required.

Rights of appeal

By rule 36(2) of the Tribunal Procedure (First-tier Tribunal) (Property Chamber) Rules 2013, the tribunal is required to notify the parties about any right of appeal they may have.

If a party wishes to appeal this decision to the Upper Tribunal (Lands Chamber), then a written application for permission must be made to the First-tier Tribunal at the regional office which has been dealing with the case.

The application for permission to appeal must arrive at the regional office within 28 days after the tribunal sends written reasons for the decision to the person making the application.

If the application is not made within the 28 day time limit, such application must include a request for an extension of time and the reason for not complying with the 28 day time limit; the tribunal will then look at such reason(s) and decide whether to allow the application for permission to appeal to proceed, despite not being within the time limit.

The application for permission to appeal must identify the decision of the tribunal to which it relates (i.e. give the date, the property and the case number), state the grounds of appeal and state the result the party making the application is seeking.

If the tribunal refuses to grant permission to appeal, a further application for permission may be made to the Upper Tribunal (Lands Chamber).

Landlord and Tenant Act 1985 (as amended)

Section 18

- (1) In the following provisions of this Act "service charge" means an amount payable by a tenant of a dwelling as part of or in addition to the rent -
 - (a) which is payable, directly or indirectly, for services, repairs, maintenance, improvements or insurance or the landlord's costs of management, and
 - (b) the whole or part of which varies or may vary according to the relevant costs.
- (2) The relevant costs are the costs or estimated costs incurred or to be incurred by or on behalf of the landlord, or a superior landlord, in connection with the matters for which the service charge is payable.
- (3) For this purpose -
 - (a) "costs" includes overheads, and
 - (b) costs are relevant costs in relation to a service charge whether they are incurred, or to be incurred, in the period for which the service charge is payable or in an earlier or later period.

Section 19

- (1) Relevant costs shall be taken into account in determining the amount of a service charge payable for a period -
 - (a) only to the extent that they are reasonably incurred, and
 - (b) where they are incurred on the provisions of services or the carrying out of works, only if the services or works are of a reasonable standard;and the amount payable shall be limited accordingly.
- (2) Where a service charge is payable before the relevant costs are incurred, no greater amount than is reasonable is so payable, and after the relevant costs have been incurred any necessary adjustment shall be made by repayment, reduction or subsequent charges or otherwise.

Section 27A

- (1) An application may be made to the appropriate tribunal for a determination whether a service charge is payable and, if it is, as to -
 - (a) the person by whom it is payable,
 - (b) the person to whom it is payable,
 - (c) the amount which is payable,

- (d) the date at or by which it is payable, and
 - (e) the manner in which it is payable.
- (2) Subsection (1) applies whether or not any payment has been made.
- (3) An application may also be made to the appropriate tribunal for a determination whether, if costs were incurred for services, repairs, maintenance, improvements, insurance or management of any specified description, a service charge would be payable for the costs and, if it would, as to -
- (a) the person by whom it would be payable,
 - (b) the person to whom it would be payable,
 - (c) the amount which would be payable,
 - (d) the date at or by which it would be payable, and
 - (e) the manner in which it would be payable.
- (4) No application under subsection (1) or (3) may be made in respect of a matter which -
- (a) has been agreed or admitted by the tenant,
 - (b) has been, or is to be, referred to arbitration pursuant to a post-dispute arbitration agreement to which the tenant is a party,
 - (c) has been the subject of determination by a court, or
 - (d) has been the subject of determination by an arbitral tribunal pursuant to a post-dispute arbitration agreement.
- (5) But the tenant is not to be taken to have agreed or admitted any matter by reason only of having made any payment.

Section 20

- (1) Where this section applies to any qualifying works or qualifying long term agreement, the relevant contributions of tenants are limited in accordance with subsection (6) or (7) (or both) unless the consultation requirements have been either—
- (a) complied with in relation to the works or agreement, or
 - (b) dispensed with in relation to the works or agreement by (or on appeal from) the appropriate tribunal .
- (2) In this section “relevant contribution”, in relation to a tenant and any works or agreement, is the amount which he may be required under the terms of his lease to contribute (by the payment of service charges) to relevant costs incurred on carrying out the works or under the agreement.
- (3) This section applies to qualifying works if relevant costs incurred on carrying out the works exceed an appropriate amount.
- (4) The Secretary of State may by regulations provide that this section applies to a qualifying long term agreement—

- (a) if relevant costs incurred under the agreement exceed an appropriate amount, or
 - (b) if relevant costs incurred under the agreement during a period prescribed by the regulations exceed an appropriate amount.
- (5) An appropriate amount is an amount set by regulations made by the Secretary of State; and the regulations may make provision for either or both of the following to be an appropriate amount—
- (a) an amount prescribed by, or determined in accordance with, the regulations, and
 - (b) an amount which results in the relevant contribution of any one or more tenants being an amount prescribed by, or determined in accordance with, the regulations.
- (6) Where an appropriate amount is set by virtue of paragraph (a) of subsection (5), the amount of the relevant costs incurred on carrying out the works or under the agreement which may be taken into account in determining the relevant contributions of tenants is limited to the appropriate amount.
- (7) Where an appropriate amount is set by virtue of paragraph (b) of that subsection, the amount of the relevant contribution of the tenant, or each of the tenants, whose relevant contribution would otherwise exceed the amount prescribed by, or determined in accordance with, the regulations is limited to the amount so prescribed or determined.]

S20ZA Consultation requirements: supplementary

- (1) Where an application is made to a leasehold valuation tribunal for a determination to dispense with all or any of the consultation requirements in relation to any qualifying works or qualifying long term agreement, the tribunal may make the determination if satisfied that it is reasonable to dispense with the requirements.

Section 20B

- (1) If any of the relevant costs taken into account in determining the amount of any service charge were incurred more than 18 months before a demand for payment of the service charge is served on the tenant, then (subject to subsection (2)), the tenant shall not be liable to pay so much of the service charge as reflects the costs so incurred.
- (2) Subsection (1) shall not apply if, within the period of 18 months beginning with the date when the relevant costs in question were incurred, the tenant was notified in writing that those costs had been incurred and that he would subsequently be required under the terms of his lease to contribute to them by the payment of a service charge.

Section 20C

- (1) A tenant may make an application for an order that all or any of the costs incurred, or to be incurred, by the landlord in connection with proceedings before a court, residential property tribunal or the Upper Tribunal, or in connection with arbitration proceedings, are not to be regarded as relevant costs to be taken into account in determining the amount of any service charge payable by the tenant or any other person or persons specified in the application.
