The Attorney General

- v -

Neville John Munson

An application to the Royal Court pursuant to the provisions
of Article 43 of the Bankruptcy (Désastre) (Jersey) Law, 1990, as amended.

Advocate A.J.D. Winchester for the Attorney General.
Advocate D.J. Petit for Mr. Munson.

JUDGMENT

5 THE DEPUTY BAILIFF: This action is brought by H.M. Attorney General
pursuant to the provisions of Article 43 of the Bankruptcy
Désastre (Jersey) Law, 1990. The application by the Attorney
General is not resisted by Mr. Munson, who is represented by
Advocate Petit.

10 If the Court is satisfied that a Director's conduct in
relation to a company makes him unfit to be concerned in the
management of a company, he may be disqualified for a period not
exceeding five years.

15 The investigation set out very clearly in the representation
of the Attorney General followed the successful application made
on 11th October, 1991, to declare Mr. Christopher Anthony Delaney
("Delaney"), Deltrust (CI) Limited ("Deltrust") and Sentinel
Management Limited ("Sentinel") *en désastre*. Mr. Munson was a
director of Deltrust and Sentinel and it is clear, from the very
detailed reports which we have received, that there can be no
20 disagreement with the Attorney General's conclusions that Mr.
Munson's conduct, whilst a director of those companies, fell far
below the standard expected from a director of a company. We only
have to mention the gross amount of clients' funds used in an
informal club - of which Mr. Munson was a participator with others

- which were not repaid, amounted to some £53,172.30. Clients' accounts were fabricated for that purpose. There were other detailed examples.

5 We therefore order, in conformity with the request of the Attorney General, that Mr. Munson shall not be a director or in any way whether directly or indirectly be concerned or take part in the management of a company for a period of three years from the date of this Order.
