Appellant

**and**

**ENTRY CLEARANCE OFFICER**

Respondent

**Representation:**

For the Appellant: Mr S Toora, instructed by M A Consultants

For the Respondent: Mr D Mills, Senior Home Office Presenting Officer

**DECISION AND REASONS**

**MADE PURSUANT TO  
RULE 39 OF THE TRIBUNAL PROCEDURE (UPPER TRIBUNAL) RULES  
2008**

1. By way of a decision promulgated on 12 April 2018 I set aside the First-tier Tribunal's decision dismissing the appellant's appeal. I further directed that the re-making of the decision be undertaken by the Upper Tribunal.
2. The matter came back before me on 24 September, the appellant having lodged extensive documentation in support of the assertion that the appeal should be allowed.
3. At the outset of the hearing I invited Mr Toora to compile a table detailing the appellant's income, expenditure and savings on a monthly basis - to

be cross referenced to the documentation before the Tribunal. Having examined the completed table and undertaken checks as to its accuracy Mr Mills, quite properly, conceded the appeal - accepting that the appellant had demonstrated to the required standard that the requirements of regulation 7 of the Immigration (EEA) Regulations 2006 had been met.

4. It was agreed by the parties that in such circumstances I need do no more than record this concession, and that the appeal be allowed by consent.

**Decision**

The decision of the First-tier Tribunal is set aside

The appellant's appeal is allowed.
