

# EMPLOYMENT TRIBUNALS

**Claimants:** 1. Miss G Shiels  
2. Ms H M Cunningham

**Respondent:** South Sefton Metropolitan Borough Council

## JUDGMENT

The claims are struck out on the ground that they are not actively pursued.

## REASONS

1. Between them, the claimants have presented four claims to the tribunal under case numbers 2400589/2020, 2400600/2020, 2400601/2020 and 2400602/2020.
2. By e-mail dated 29 January 2020 the claimant's solicitors notified the tribunal that claims 2400601/2020 and 2400602/2020 were duplicates of the other two claims and could be "removed from the Tribunal system".
3. It is therefore clear that the duplicate claims are not being pursued.
4. This judgment does not affect the claimants' ability to pursue claims 2400589/2020 and 2400600/2020.
