

EMPLOYMENT TRIBUNALS

Claimant: Ms L Knight

Respondent: Mitie FM Limited, formerly Interserve (Facilities Management) Limited

JUDGMENT

The claim is struck out.

REASONS

1. By a letter dated 8 September 2021, the Tribunal gave the Claimant an opportunity to make representations as to why the claim should not be struck out or to request a hearing, because;
 - a. Contrary to rule 37 (1)(c), she had failed to comply with the Tribunal's order that by 26 April 2021, she was to provide medical evidence and a disability impact statement; and that
 - b. Contrary to rule 37 (1)(d), she was not actively pursuing her claim, as she did not attend the hearing of 25 August or give any indication of her intentions in that respect and failed to reply to correspondence from the Respondent.
2. The Claimant failed to make representations in writing and/or failed to make any sufficient representations, why this should not be done or to request a hearing.
3. The claim is therefore struck out.
