

EMPLOYMENT TRIBUNALS

Claimant: Miss H Patel

Respondent: Box Electronics Ltd

JUDGMENT

The claim is struck out.

REASONS

1. By a letter dated 14 August 2021, the Tribunal gave the claimant an opportunity to make representations or to request a hearing, as to whether the claimant should withdraw the claim because it may have been brought against a company that had never employed the claimant. The claimant has not responded to that letter, disputing the contents of the ET3. Accordingly the Tribunal considers:
 - the claim has no reasonable prospect of success.
 - the claim is not been actively pursued.
2. The claim is therefore struck out.
3. The hearing fixed for 28 September 2021 will not take place.
