JUDGMENT

The respondent's application to strike out the claimant's claim is refused.

REASONS

At a preliminary hearing heard on 16 February and 11-12 July 2022 I decided that some of the claimant's application to amend her claim should be allowed. Having allowed those amendments I decided that the respondent's application to strike out the claim should be refused. I have set out my reasons for that in my Case Management Order of today's date.
