

# EMPLOYMENT TRIBUNALS

Claimant: Mr M Shaw

Respondent: Direct Trade (Yorkshire) Ltd

## JUDGMENT

The claim is struck out.

## REASONS

To bring a claim for unfair dismissal with less than 2 years' service you must have been dismissed for an automatically unfair reason. No applicable reason has been asserted by you.

There is no complaint of disability discrimination and in any event the claim appears to be that the Respondent caused your impairment not that it dismissed you arising out of it
