

# EMPLOYMENT TRIBUNALS

**Claimant:** Ms A Wilson

**Respondent:** Mice and Dice Limited

## JUDGMENT

The claim is struck out.

## REASONS

1. At a case management hearing held on 23 March 2023, the Claimant was ordered to provide further and better particulars of her claim by 6 April 2023. She was warned in the order that if she did not do so, it was likely her claim would be struck out without a further hearing.
2. The claimant had failed to attend the case management hearing, but it had proceeded in her absence of reasons set out on the case management order.
3. The claimant has failed to comply with the order. She had not written to either the respondent or the tribunal to explain why.
4. I have therefore decided that her claim should be struck out under rule 37(1)(d) as she is failing to actively pursue it.
5. The hearing that was due to take place on 18 May 2023 will be cancelled.
