# Covid-19 pandemic: description of hearing

This has been a remote hearing on the papers which has been consented to by the parties. The form of remote hearing was P:PAPERREMOTE. A face-to-face hearing was not held because one was not requested and all the issues could be dealt with on paper. The documents that the Tribunal were referred to are in the applicants bundle of 197 pages.

### Summary of the tribunal's decision

(1) The appropriate premium payable for the collective enfranchisement is **£16,068**.

# **Background**

- 1. This is an application made by the applicant nominee purchaser pursuant to section 24 of the Leasehold Reform, Housing and Urban Development Act 1993 ("the Act") for a determination of the premium to be paid for the collective enfranchisement of 258 Rosendale Road SE24 9DL (the "property").
- 2. By a notice of a claim dated 2 December 2019, served pursuant to section 13 of the Act, the applicant exercised the right for the acquisition of the freehold of the subject property and proposed to pay a premium of £10,000 for the freehold.
- 3. On 2 February 2020, the respondent freeholder served a counter-notice admitting the validity of the claim and counter-proposed a premium of £17,000 for the freehold.
- 4. On 29 July 2020, the applicant applied to the tribunal for a determination of the premium and terms of acquisition.

9. The Following comparables were submitted by Mr Mortimer.

The tribunal has relied on its knowledge and experience and finds that the evidence is appropriate to the case. The tribunal accepts Mr Mortimers assessment of the extended lease values as follows

| Ground Floor | £ | 495,000   |
|--------------|---|-----------|
| First Floor  | £ | 450,000   |
| 2nd floor    | £ | 430,000   |
| total        | £ | 1,375,000 |
|              |   |           |

### Capitalisation rate

10. Mr Mortimer has used a rate of 6% in his valuation but no reasons are given. However he is an experienced valuer and this rate is in line with other tribunal decisions and the tribunal accepts this is an appropriate rate.

#### Deferment rate.

11. Mr Mortimer has used the Sportelli rate of 5% which the tribunal agrees is appropriate.

### Freehold value

12. Mr Mortimer has used the extended lease value rather than add the conventional 1%. The tribunal makes this adjustment.

### **Development hope value**

13. The tribunal considers the property is fully developed and there is no prospect of further added value.

#### The premium

- 14. The tribunal determines the appropriate premium to be **£16,068**. A copy of its valuation calculation is annexed to this decision.
- 15. The submissions show charges against the freehold title and the valuation has been prepared on the basis these will be cleared by the respondent before completion.

## **<u>Rights of appeal</u>**

By rule 36(2) of the Tribunal Procedure (First-tier Tribunal) (Property Chamber) Rules 2013, the tribunal is required to notify the parties about any right of appeal they may have.

If a party wishes to appeal this decision to the Upper Tribunal (Lands Chamber), then a written application for permission must be made to the First-tier Tribunal at the regional office which has been dealing with the case.

The application for permission to appeal must arrive at the regional office within 28 days after the tribunal sends written reasons for the decision to the person making the application.

If the application is not made within the 28 day time limit, such application must include a request for an extension of time and the reason for not complying with the 28 day time limit; the tribunal will then look at such reason(s) and decide whether to allow the application for permission to appeal to proceed, despite not being within the time limit.

The application for permission to appeal must identify the decision of the tribunal to which it relates (i.e. give the date, the property and the case number), state the grounds of appeal and state the result the party making the application is seeking.

If the tribunal refuses to grant permission to appeal, a further application for permission may be made to the Upper Tribunal (Lands Chamber).
