### Decision notice

**Date:** 16 November 2016

**Public Authority:** Norfolk & Norwich University Hospital Trust (the Trust)

**Address:** Colney Lane  
Norwich  
NR4 7UY

### Decision (including any steps ordered)

---

1. The complainant has requested information relating to HOLEP operations. The Trust has failed to respond to this request for information.
2. The Commissioner considers that the Trust breached section 10(1) FOIA in the handling of this request.
3. The Commissioner requires the public authority to take the following steps to ensure compliance with the legislation.
  - The Trust must provide the complainant with a response to this request in accordance with its obligations under FOIA.
4. The public authority must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

### Request and response

---

5. On 19 September 2016 the complainant made the following request to the Trust:

*'I would like the total number of HOLEP (Laser Prostate Enucleation) operations performed by the Urology Dept in the last 10 years and in*

*that period the total number of times a complication requiring a laparotomy occurred.*

*I would also like to know the total number of Holep operations performed by Mr Robert Mills in the 12 month and 6 month period preceding the 21 Feb 2015.'*

6. The Trust has not provided a response to this request.

## **Scope of the case**

---

7. The complainant contacted the Commissioner on 19 October 2016 to complain about the way his request for information had been handled.
8. The Commissioner has considered whether the Trust dealt with this request in accordance with its obligations under section 10(1) FOIA.

## **Reasons for decision**

---

9. Section 10(1) provides that:

*"Subject to subsections (2) and (3), a public authority must comply with section 1(1) promptly and in any event not later than the twentieth working day following the date of receipt."*

10. Section 1(1) provides that:

*"Any person making a request for information to a public authority is entitled –*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to him."*

11. The request was made on 19 September 2016 and a response is yet to be provided. The Commissioner therefore finds that the Trust breached section 10(1) in failing to respond within 20 working days.
