

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 22 March 2018

Public Authority: Central Saint Martins College of Art and Design

Address: Granary Building
1 Granary Square
London
N1C 4AA

Decision (including any steps ordered)

1. The complainant requested information about students who have accessed counselling services. The College has failed to respond to this request.
2. The Commissioner considers that the College breached section 10(1) FOIA in the handling of this request.
3. The Commissioner requires the public authority to take the following steps to ensure compliance with the legislation.
 - The College must provide the complainant with a response to this request in accordance with its obligations under FOIA.
4. The public authority must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 8 November 2017 the complainant wrote to the College and requested information in the following terms:

"Under the Freedom of Information Act, please could you provide me with the number of students who have accessed counselling services provided by the university for each of the past three academic years (2014/15, 2015/16 and 2016/17)."

If possible, please provide a breakdown by the type of issue the students are seeking help for."

6. The College has failed to respond to this request.

Scope of the case

7. The complainant contacted the Commissioner on 5 February 2018 to complain about the way her request for information had been handled.
8. The Commissioner has considered whether the College has dealt with this request in accordance with its obligations under section 10(1) FOIA.

Reasons for decision

9. Section 10(1) provides that:

"Subject to subsections (2) and (3), a public authority must comply with section 1(1) promptly and in any event not later than the twentieth working day following the date of receipt."

10. Section 1(1) provides that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

11. The request was made on 8 November 2017 and a response has not yet been provided. The Commissioner therefore finds that the College breached section 10(1) in failing to respond within 20 working days.
