

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 18 September 2019

Public Authority: Sport Wales
Address: Sophia Gardens
Cardiff
CF11 9SW

Decision (including any steps ordered)

1. The complainant requested information about how much lottery funding had been spent on sports centres.
2. The Commissioner's decision is that Sport Wales has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires Sport Wales to take the following step to ensure compliance with the legislation.
 - Sport Wales must provide a substantive response to the request in accordance with its obligations under the FOIA.
4. Sport Wales must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 2 May 2019, the complainant wrote to Sport Wales and requested information in the following terms:

"May I add a supplementary question. Could you also provide the level of lottery funding allocated to each scheme [sports centres] and the final overall cost (where known.)"

Apologies that this was missed from the original enquiry."

6. Sport Wales did not acknowledge the request. On 1 June 2019, 18 June 2019 and 5 August 2019, the complainant sent further correspondence to Sport Wales asking for a response to be provided. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 7 August 2019 to complain about Sport Wales' failure to respond to their request.
8. The Commissioner has considered whether Sport Wales has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.

11. On 20 August 2019 the Commissioner wrote to Sport Wales, reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
12. Despite this intervention Sport Wales has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that Sport Wales did not deal with the request for information in accordance with the FOIA. The Commissioner finds that Sport Wales has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
