Decision notice

Date: 2 December 2019

Public Authority: Lancashire County Council
Address: PO Box 78
County Hall
Fishergate
Preston
Lancashire
PR1 8XJ

Decision (including any steps ordered)

1. The complainant requested information relating to care arrangements for children.
2. The Commissioner's decision is that Lancashire County Council (the Council) has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following step to ensure compliance with the legislation.
 - The Council must issue a substantive response to the request in accordance with its obligations under the FOIA.
4. The Council must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 5 September 2019, the complainant wrote to the Council and requested information in the following terms:

"I would also like a Freedom of information with how many children Lancashire county council have removed from mother and placed in father's care within last 24 months. This information may be used for media purposes."

6. The Council acknowledged the request on 14 October 2019.
7. To date a substantive response had not been provided.

Scope of the case

8. The complainant contacted the Commissioner on 23 October 2019 to complain about the Council's failure to respond to his information request.
9. On 13 November 2019 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
10. Despite this intervention the Council failed to respond to the complainant.
11. The Commissioner has considered whether the Council has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

Reasons for decision

12. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) if that is the case, to have that information communicated to him."*

13. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt."*
14. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with the FOIA. The Commissioner finds that the Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
