

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 15 July 2022

Public Authority: The Cabinet Office
Address: Cabinet Office
70 Whitehall
London

Decision (including any steps ordered)

1. The complainant requested information regarding meetings the Cabinet Office has held with the Coalition for the Memorandum of Understanding on conversion therapy since 2015. By the date of this notice the Cabinet Office had not issued a substantive response to this request.
2. The Commissioner's decision is that the Cabinet Office has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Cabinet Office to take the following step to ensure compliance with the legislation.
 - The Cabinet Office must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The Cabinet Office must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 14 January 2022, the complainant wrote to the Cabinet Office and requested information in the following terms:

"I am writing to make an open government request for all the information to which I am entitled under the Freedom of Information Act 2000.

Please send me:

1. Information regarding meetings you have held with the Coalition for the Memorandum of Understanding on Conversion Therapy since 2015. In particular we would like information regarding the following:
 - how many meeting(s) have been held;
 - the dates of the meeting(s);
 - the names of those attending the meeting(s) from the Coalition and the positions of the attendees from the Government Equalities Office;
 - any agreements or understandings reached between the Government Equalities Office and the Coalition; and
 - copies/summaries of any notes or minutes of the meetings.”
6. The Cabinet Office acknowledged the request on 20 January 2022. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 13 June 2022 to complain about the Cabinet Office’s failure to respond to their request.
8. The Commissioner has considered whether the Cabinet Office has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

Reasons for decision

9. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

 - (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
 - (b) if that is the case, to have that information communicated to him.”
10. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.

11. On 29 June 2022 the Commissioner wrote to the Cabinet Office, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention the Cabinet Office has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the Cabinet Office did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Cabinet Office has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
