

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 14 December 2022

Public Authority: Conwy County Borough Council

Address: Bodlondeb
Conwy
LL32 8DU

Decision (including any steps ordered)

1. The complainant requested information relating to policy documents regarding training for council officers on whether or not penalty charge notices should be cancelled. By the date of this notice Conwy County Borough Council (the Council) had not issued a substantive response to this request.
2. The Commissioner's decision is that the Council has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following step to ensure compliance with the legislation.
 - The Council must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The Council must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 23 September 2022, the complainant wrote to the Council and requested information in the following terms:

“Query 1: I would like to request a copy of all policy and guidance documents that are available to council officers who are tasked with considering the question of whether a Penalty Charge Notice should be cancelled. For the avoidance of doubt, this request covers any policy that is published or otherwise publicly available, plus any internal council guidance or policy that is only available internally to council staff (such as any internal policy that outlines in what circumstances the council may exercise its discretionary powers to cancel a PCN).

Query 2: Please could you also disclose the training material that is used to train the council officers who make decisions regarding the cancellation of PCNs. This should cover only training material that is directly relevant to their role in deciding whether a council PCN should be cancelled, any other training material (such as generic council training, health and safety, GDPR or training related to other roles or functions) is not within the scope of this request.

Again for the avoidance of doubt, both queries above cover policies and training material available to council officers who deal with informal representations, formal representations and appeals to the tribunal.”

6. The Council acknowledged the request on 27 October 2022. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 22 November 2022 to complain about the Council’s failure to respond to their request.
8. The Commissioner has considered whether the Council has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

Reasons for decision

9. Section 1(1) of FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

10. Section 10(1) of FOIA states that a public authority must respond to a request promptly and "not later than the twentieth working day following the date of receipt".
11. On 25 November 2022 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention the Council has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
