Date: 17 May 2024

Public Authority: Six Town Housing
Address: 6 Knowsley Place
Angouleme Way
Bury
BL9 0EL

Decision (including any steps ordered)

1. The complainant requested information from Six Town Housing (the public authority). By the date of this notice the public authority had not issued a substantive response to this request.
2. The Commissioner's decision is that the public authority has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the public authority to take the following step to ensure compliance with the legislation.
 - The public authority must provide a substantive response to the request in accordance with its obligations under FOIA.¹
4. The public authority must take this step within 30 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

¹ The Commissioner expects the public authority to take appropriate precautions to protect any personal data when disclosing information in a spreadsheet or similar format;

Request and response

5. On 10 December 2023, the complainant wrote to the public authority and requested information in the following terms:

“Please provide copies of your policy documents on the following:

- 1) Lone working policy for your staff including how you assess the risk posed by tenants.
- 2) Your policy document for taking enforcement action against tenants convicted of crimes that take place using their properties or are committed against neighbours.
- 3) Your policy document for assessing and providing the services of a Tenancy Support Officer.
- 4) the full policy document for complaints processing.
- 5) the full policy document for processing subject access requests.

PLEASE ENSURE YOU PROVIDE YOUR ACTUAL WORKING POLICY DOCUMENTS AND NOT MERELY AN INFORMATION LEAFLET OR THE WEBLINK.”

Reasons for decision

6. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

7. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
8. On 16 April 2024 the Commissioner wrote to the public authority, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.

9. Despite this intervention the public authority has failed to respond to the complainant.
10. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with FOIA. The Commissioner finds that the public authority has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
