Request and response

5. On 18 May 2024, the complainant made the following request for information to the public authority:
 - “1. Please provide any invoices paid by Ticehurst Parish Council to suppliers (legal or otherwise) in relation to application RR/2023/272/P or the appeal for that application Appeal Ref:APP/U1430/W/23/3330956 (the old Vineyard)
 2. Please provide any invoices paid to Surry Hills Solicitors in relation to either Caloo or planning applications RR/2022/840/P or application RR/2022/2690/P”

Reasons for decision

6. Regulation 5(1) of the EIR states that:

“a public authority that holds environmental information shall make it available on request.”
7. Regulation 5(2) of the EIR states that:

“Information shall be made available under paragraph (1) as soon as possible and no later than 20 working days after the date of receipt of the request.”
8. The Commissioner contacted the public authority on 9 July 2024 reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days. Despite this intervention the public authority has failed to respond to the complainant.
9. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with the EIR. The Commissioner’s decision is that the public authority has breached regulation 5(2) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the EIR.
