

**PATENTS ACT 1977**

IN THE MATTER OF an application under  
Section 13(1) by Paul Disley in respect  
of patent number GB 2363796 in the name  
of Regenesys Technologies Limited

**DECISION**

- 1 Patents Form 7/77 names Patrick John Morrissey as sole inventor.
- 2 Paul Disley has now made an application in accordance with Section 13(1) of the Act to the effect that he ought also to have been mentioned as an inventor.
- 3 Alan Print, on behalf of the patent proprietors Regenesys Technologies Limited, and Patrick John Morrissey have each confirmed in writing that they consent to Paul Disley being named as a joint inventor. I therefore conclude that the relevant parties agree that Paul Disley was a joint inventor.
- 4 Accordingly I find that Paul Disley should be mentioned as a joint inventor in the granted patent. I also direct, in accordance with Rule 14(5), that an addendum slip mentioning him as a joint inventor be prepared for the published application and for the granted patent for the invention.

Dated this 29<sup>th</sup> day of August 2003.
