1. On 7 January 2016 I issued a decision in relation to the proceedings shown on the cover page of this supplementary decision in which I stated the following:

“68. Mariage Frères, Société anonyme has been successful and is entitled to an award of costs. Awards of costs are governed by Annex A of Tribunal Practice Notice 4 of 2007. I have taken into account that **no** hearing has taken place and award costs on the following basis:”

2. Paragraph 68 of that decision should have read:

“68. Mariage Frères, Société anonyme has been successful and is entitled to an award of costs. Awards of costs are governed by Annex A of Tribunal Practice Notice 4 of 2007. I have taken into account that **a** hearing has taken place and award costs on the following basis:”

3. The appeal period is not affected by this correction.

4. The cost award is not affected by this correction as it was calculated taking into account that a hearing had taken place.
